## EXPO SEGURIDAD 2021 WILL BE HELD IN JULY

September 22, 2020

Reed Exhibitions Mexico, organizer of Expo **Seguridad Mexico** and Expo **Seguridad Industrial**, today announced that the events scheduled for April 13 to 15, 2021, **have been postponed to July 6 to 8, 2021** at Centro Citibanamex in Mexico City.

This decision has been made in order to allow more time for the careful planning of the event and to allow for adjustments that may need to be made due to the ever-changing nature of the pandemic.

Commenting on the announcement, Jorge Hagg, Show Director, stated, "We did a feasibility study of possible dates among our industry partners and we concluded that holding the event in July 2021 means that we will hopefully be in a safer environment for doing business."

The Show Director highlighted that safeguarding the health and safety of all those who participate in the event is the number one priority. "We are working on enhanced and robust safety and hygiene measures and protocols, hand in hand with international experts. We are confident that we will be able to have our face-to-face meetings in a framework of security and tranquility for all".

Expo Seguridad Mexico has 18 years of history and Expo Seguridad Industrial has been running for 13 years. Both have been the benchmark meetings in the region for business development around the electronic and industrial security, which annually brings together around 20,000 visitors, so this was not a decisions taken lightly.

In this context, Reed Exhibitions has recently published its [Re-Opening Events 5 Points Global Plan](#) that has been developed based on direction and guidance from relevant authorities across the globe (including the WHO), recommendations of both federal and local health authorities, scientific advice, and emerging industry best and good practice which guidelines are focused on having a safe return to the events for all who participate in them.

"On behalf of Reed Exhibitions, I would like to express my gratitude to all our exhibitors, partners, attendees, suppliers, media, and staff, their trust drives us to build a more robust business experience. Expo Seguridad 2021 will be the quality event that the industry expects", Hagg concluded.
